

		Course: English Grammar 1		
Course code	Course status	Semester	ECTS credits	Number of lessons
GEJ 1	compulsory	1 st	5	2+2

The course is organized within the following study programs:
English Language and Literature

The course is conditioned by the following courses:
None

Course aims and objectives:

By taking this course, students get the opportunity to learn and master the basic categories, types, and forms of the English grammar system, and learn to recognize and use contextually appropriate grammatical structures. The main goal of the course is to enable the students to improve their communication skills and acquire the fundamental theoretical knowledge, which represents the basis for the further practical and theoretical advancement in the sphere of English grammar.

Learning outcomes:

After completing this course successfully, the students will be able to theoretically and practically recognize the grammatical categories they studied, give priority to the structures that are considered as the part of the norm of the standard English, and contextualize and connect forms with meanings.

Teaching staff:

Jelena Šajinović Novaković

Teaching and learning methods:

Lectures, practical classes, teacher-student consultations, and individual work.
