

		Title of the subject: Philological analysis of Slavo-Serbian texts		
Subject code	Subject status	Semester	Number of ECTS credits	Number of classes
	optional	III or IV	2	2+0

Study programme for which it is organized:

Connection to other subjects: Passed Old Slavic language and passed or attended Historical phonetics and morphology

The subject's objectives: To introduce students to internal strength of Slavo-Serbian language as one of sacral Slavic languages (in relation to contemporary language expression). To acquire knowledge of phonological and morphological norms of Slavo-Serbian language, as well as lexical system of ancient languages. Development of St Sava's dictionary based on the corpus of Sava's literary works. One of the objectives of the subject is to enable the students to independently read hagiographies of saints who lived in medieval Serbia in original, Slavo-Serbian language.

Name and surname of a professor and teaching assistant: Zorica Nikitović, PhD

Methods of teaching and acquiring lessons: monologue, dialogue, work on texts.
