

		Course: Contemporary French 5		
Course code	Course status	Semester	ECTS credits	Number of lessons
	obligatory	5	5	0+5

The course is organized within the following study programs:

French Language and Literature and Latin Language and Literature

The course is conditioned by the following courses:

Contemporary French 4

Course aims and objectives:

Enabling students to participate in written and oral communication at B 2.1 level.

Learning outcomes /results (the knowledge acquired):

After completing this module successfully, students will be able to participate in oral and written communication at B 2.1 level.

Students will be able:

- to follow a discussion, clearly analyzing the arguments for and against a standpoint,
- to express their opinions and points of view on complex issues with convincing arguments orally or in writing, and to react in the same manner to the arguments of those they are engaged in communication with,
- to actively participate in ordinary or other formal discussions,
- to follow the discussion on the topics they are interested in and to understand in detail the most important parts from their speaker's discussion,
- to express, represent and defend their own opinion, consider new proposals, present hypotheses and respond to the hypotheses presented by the people they are engaged in communication with.

Teaching staff:
